**Re: Demand for Payment - Invoice #INV-44219
(Services Agreement dated January 15, 2026)**

Dear Sir or Madam:

This firm represents Acme Consulting LLC ("Acme") in connection with the above-referenced matter. We write regarding Invoice #INV-44219, issued to Bethesda Retail Group Inc. ("BRG") in the amount of \$18,450.00, for services rendered under the Services Agreement between Acme and BRG dated January 15, 2026 (the "Agreement"). Payment was due within forty-five (45) days of the invoice date under the Agreement's Net 45 payment terms. That date has now passed, and the balance remains unpaid. Per the Agreement's payment terms, a late fee of 1.5% per month is accruing on the outstanding balance until paid in full.

Demand is hereby made that BRG remit payment in full, including all accrued late fees, within ten (10) business days of the date of this letter. Once notice has been given, applicable law - including Md. Code Ann., Com. Law Sec. 14-302 (Sample) - permits recovery of statutory default interest on the unpaid balance in addition to the contractual late fee.

Please be advised that if payment is not received within the stated deadline, Acme reserves the right to pursue all available remedies, including but not limited to initiating collection proceedings, suspending further services under the Agreement, and seeking recovery of reasonable attorneys' fees and costs incurred in connection with collection.

Please direct any questions regarding payment arrangements to the undersigned. This letter is sent without prejudice to, and does not waive, any other rights or remedies available to Acme under the Agreement or applicable law.

Sincerely,

Jordan A. Whitfield
